

## Staying COVID-19 Secure in 2020

We confirm we have complied with the Government's guidance on managing the risk of COVID 19

### \*Five steps to safer working together\*

1. We have carried out a COVID-19 Risk Assessment and shared the results with the people who work here.
2. We have cleaning, handwashing, and hygiene procedures in line with guidance.
3. We have taken all reasonable steps to help produce work safely from a COVID-19 secure workplace or work from home.
4. We have taken all reasonable steps to maintain a 2m distance in the workplace.
5. Where people cannot keep 2m apart we have ensured at least a 1m distance and taken all the mitigating actions possible to manage transmission risk.
